3. Grants

A maximum of 25 grants towards participation costs will be awarded to students admitted and enrolled onto the joint Ulysseus European University Master's Degree in the 2024-2025 academic year.

Each successful applicant from the EU will receive a grant of €3,000, while non-EU students will receive €7,500. This is to cover the participation costs established in the programme. The grants will appear as an exception for paying the aforementioned participation costs.

Participation costs include: enrolment, library and laboratory costs, as well as any other compulsory costs related to student's participation in the Master's Degree, such as insurance, support in organisational and administrative costs, examinations and the issuing of the certificate and that of the European supplement.

Participation costs do not include accommodation, travel to other partner universities, and travel documents (visas, passports, etc.) within the mobility programme framework, or any other cost outside the standard duration of the studies, such as examination re-sits.

4. Requirement

Grant beneficiaries must have been admitted to, and enrolled on, the joint UlysseusCities Master's Degree offered by Ulysseus European University.
