

Entrepreneurship & Innovation Research Seminar

Culture, Entrepreneurship and Development

In collaboration with IUSEN, the Entrepreneurship & Innovation research group (SEJ-689) is hosting a new research seminar open to academics, PhD students and the wider community on the topic of “Culture, Entrepreneurship and Development”.

In this occasion, it is a privilege to enjoy the participation of two outstanding researchers in the field. They are well-reputed authors and have recently published key books in this area. Their presentations will be partly based on the books referenced below.
